Nothing is intractable.

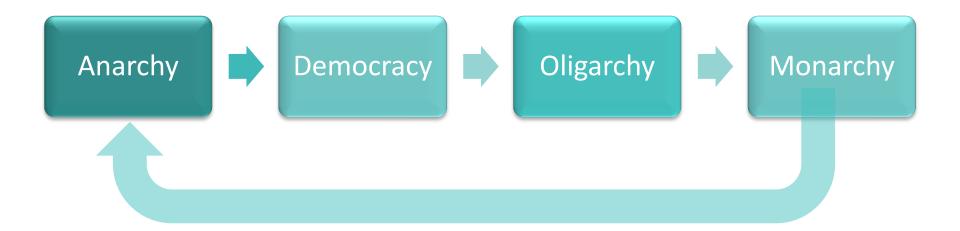

Today we will . . .

- ▶ What?
 See the self-organizing dynamics of politics
- So what? Explore options for action at any scale
- Now what? Identify ways to continue Adaptive Action

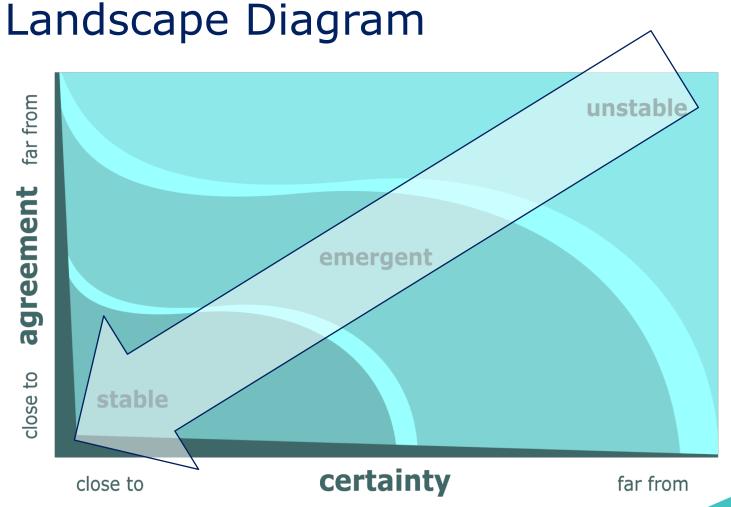

T'was ever thus . . . Plato and Politics

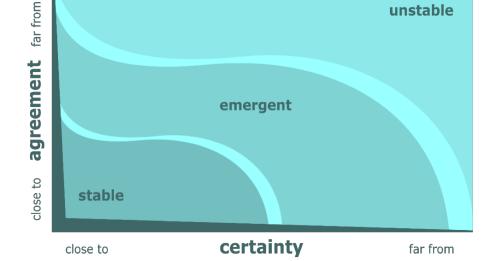

What's so great about STABLE?

- Safe
- Reliable
- Constant
- Habitual
- Low risk
- Protected
- Under control

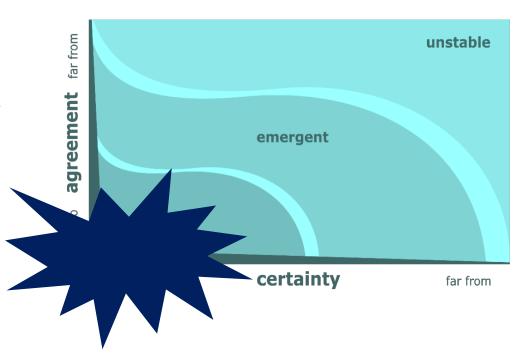

- Low energy requirement
- No need to choose
- Practice makes perfect
- Expertise and accountability win the day!

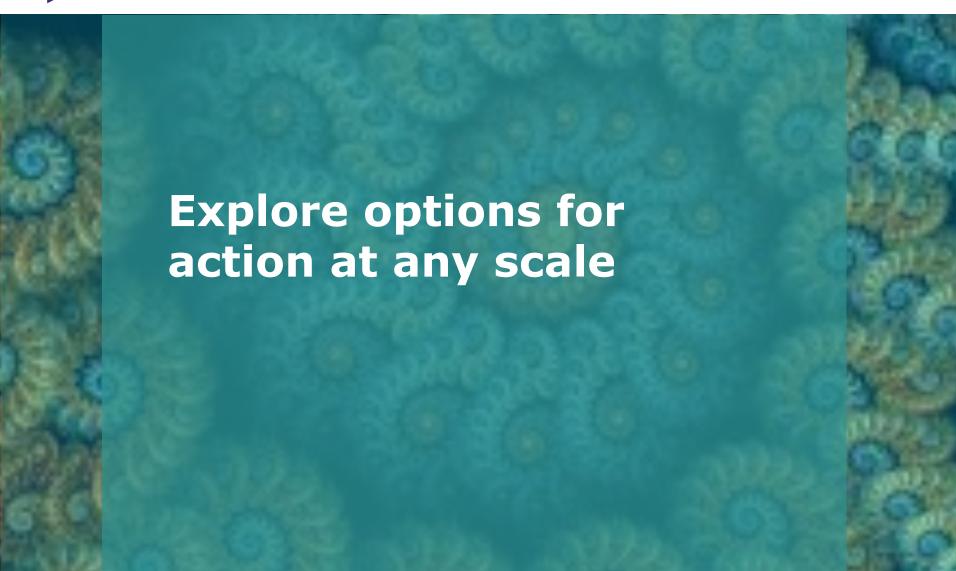

So what's the problem?

- Constrained
- Dependent
- Homogeneous
- Boring
- Obsolete
- Stifling
- Constrained
- Restricted
- No choices
- Dependency
- Victimhood and blaming win the day!

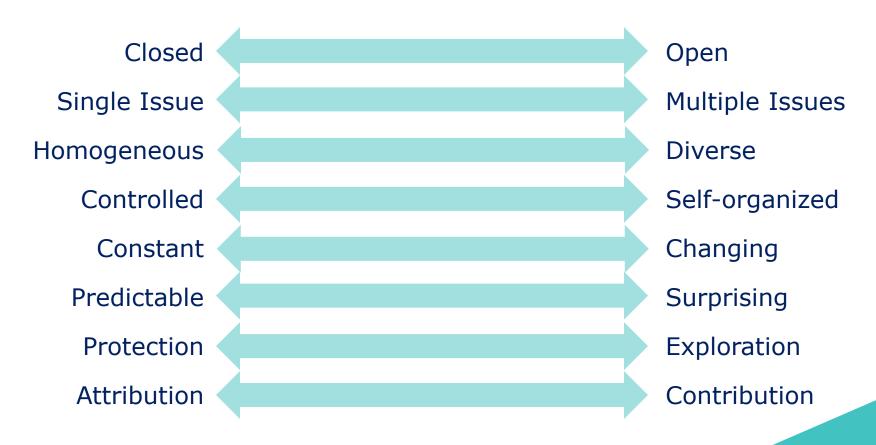

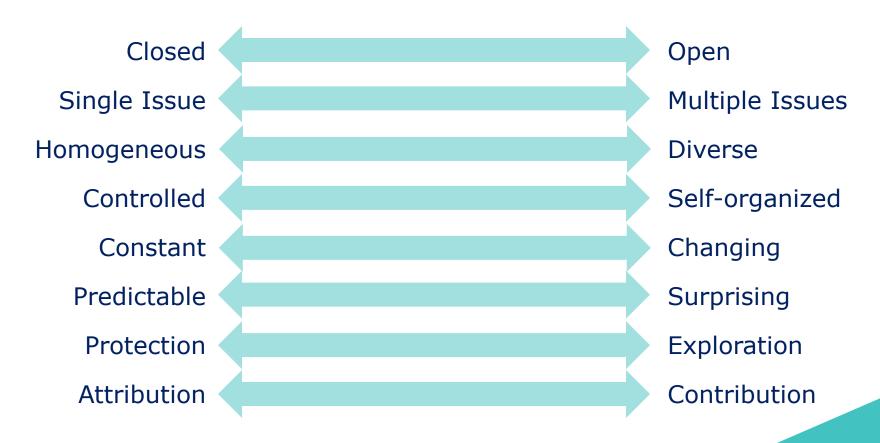

So what are your options?

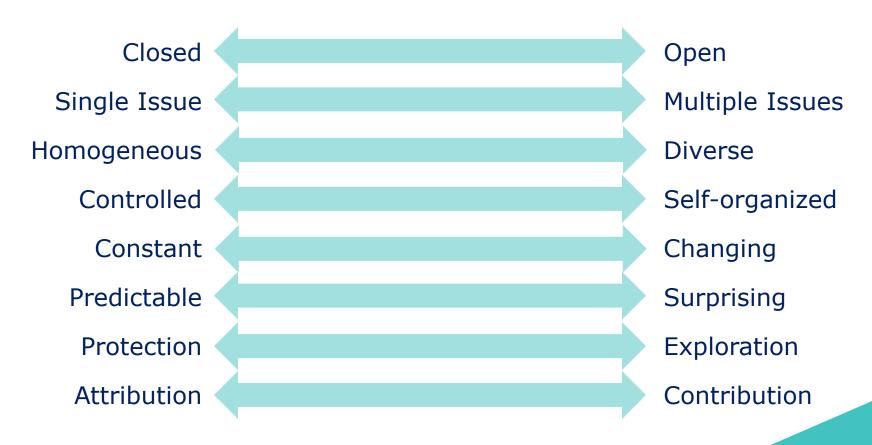

What about you as a person?

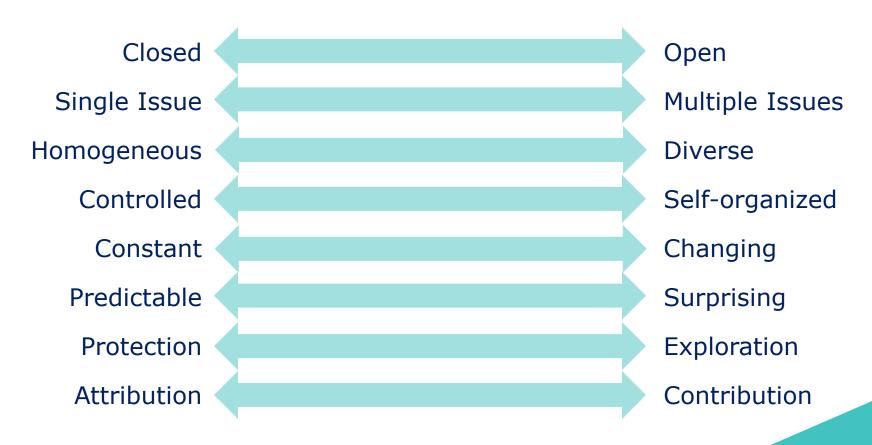

What about your family?

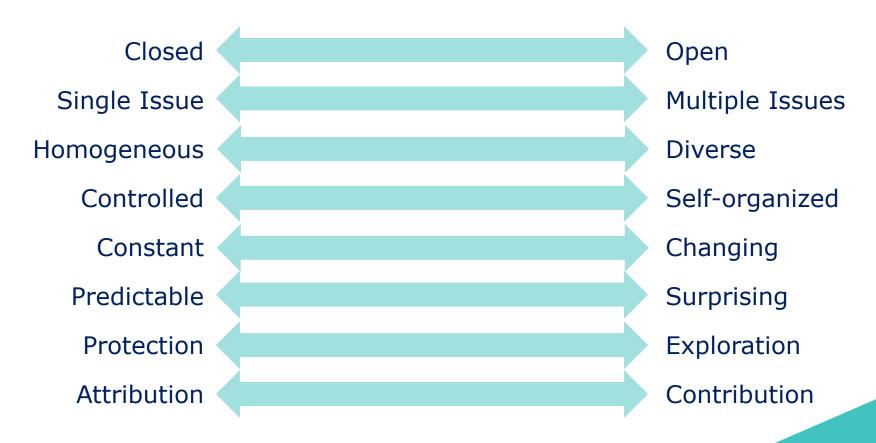

What about your community?

What about your politics?

Ask and Adjust: Stay Awake!

- Where are you now?
 What are the risks and benefits?
- Where do you want to be? What might be unintended consequences?
- How will you shift to move toward a more useful place?
