Nothing is intractable.

HSD Vision

People everywhere thrive because we
see Patterns clearly,
seek to understand, and
act with courage to
transform turbulence and uncertainty
into possibility for all.

Today we will . . .

- ▶ **WHAT?**
See Patterns in chaos
- ▶ **SO WHAT?**
Make sense of the Patterns
- ▶ **NOW WHAT?**
Build your Pattern logic capacity

WHAT?

See Patterns in chaos

Pattern: Container, Differences, Exchanges

Pattern: Container, Differences, Exchanges

- ▶ Container holds the system together

Pattern: Container, Differences, Exchanges

- ▶ Container holds the system together
- ▶ Differences give meaning and potential for change

Pattern: Container, Differences, Exchanges

- ▶ Container holds the system together
- ▶ Differences give meaning and potential for change
- ▶ Exchanges connect across differences to release tension, create a whole

Pattern and Differences

Differences that Make a Difference

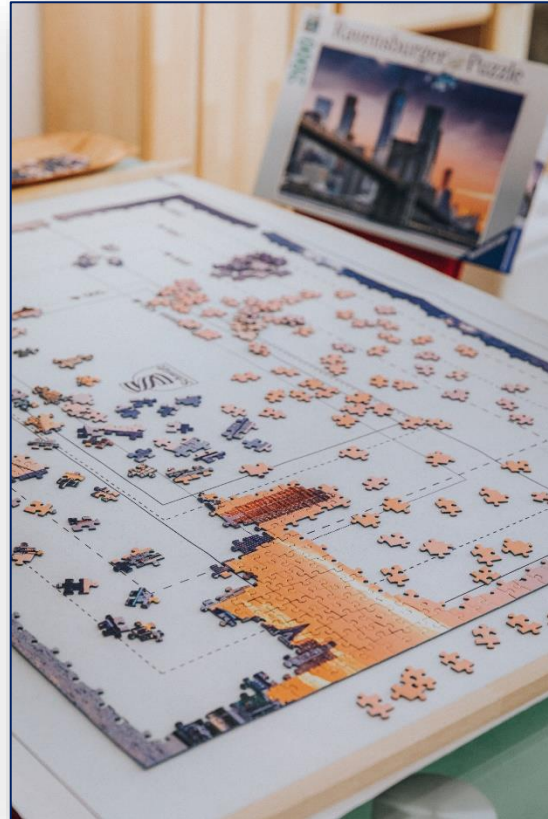

Patterns and Exchanges

Whole is different than the sum of the parts!

SO WHAT?

Make sense of Patterns

Generalities

In general, I notice . . .

Contradictions

On one hand . . . ,
on the other

Surprises

I didn't expect that . . .

Questions

I wonder . . .

Pattern Spotting

NOW WHAT?

Build your Pattern logic capacity

What Patterns do you need to spot?

- ▶ What are the sources of information that overwhelm you?
- ▶ So what are your:
 - ▷ Generalities?
 - ▷ Contradictions?
 - ▷ Surprises?
 - ▷ Questions?
- ▶ Now what are your next wise actions?
